2. Sew the strips of fabric together as desired, keeping in mind that each block will have 9 pieces total. Press the seams in the same direction. Trim each block to 20" square.
3. Lay out the blocks so that they alternate in fabric pattern and in direction.
4. Sew the 1.5" x 21" sashing pieces between the block pairs and on the sides of the block pairs. Trim excess fabric.
5. Sew the 1.5" x 41" sashing pieces between the three quilt sections, as well as along the top and bottom of the quilt. Trim any excess fabric.
6. Sew together two of the border pieces for each side of the quilt. Attach the long side pieces, and trim excess. Sew the two 5" x 20.5" pieces to the remaining border pieces for the top and bottom of the quilt.
